RE: Approval of Closure Description Document (CDD) for Closure of RCRA Treatment Unit 750.3b - Sludge Solidification Unit at the 750 Pad at Rocky Flats Environmental Technology Site (RFETS)

Dear Mr. Legare and Ms. North:

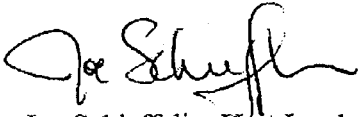

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division (the "Division") has received your notice of intent to partially close RCRA Treatment Unit 750.3b and has reviewed the *Closure Description Document (CDD) for RCRA Unit 750.3b*. The Division received this CDD from DOE and Kaiser-Hill on October 1, 2003. This CDD applies to a hazardous/mixed waste sludge treatment unit located in a tent at the north end of the 750 Pad. This treatment unit is identified in the RFETS RCRA Permit No. CO-97-05-30-01 (the "Permit") as Unit 750.3b, "Secondary Sludge Stabilization Process."

The CDD specifies portions of Treatment Unit 750.3b that will be closed by decontamination using a debris rule extraction technology to meet the "clean debris surface" standard as defined in Section X.D.6 of the Closure Plan in the Permit and then disposed off-site as non-hazardous debris. If any equipment is to be returned to the subcontractor for reuse, the CDD specifies that clean closure and verification in accordance with the requirements of Section X.C of the Closure Plan in the Permit will apply. The CDD specifies that other components of Treatment Unit 750.3b will be closed by removal and disposal as low-level mixed waste as allowed in the Closure Plan of the Permit. As stated in the CDD, closure of the asphalt pad underlying Treatment Unit 750.3b is being deferred to decommissioning and environmental restoration activities conducted under the Rocky Flats Cleanup Agreement (RFCA). In

accordance with Permit Condition X.B.3 of the Permit, the Division hereby approves this CDD for the closure of Treatment Unit 750.3b as described therein. If you have any questions concerning these matters, please contact James Hindman at (303) 692-3345.

Sincerely,

Joe Schieffelin, Unit Leader  
Hazardous Waste Compliance Unit
